

Access Authorization Application - Authorized Individual

One of the ways NYSERNet maintains the security of its colocation facility at 32 Avenue of the Americas is by limiting access to Authorized Individuals via **individual access code**. Authorized Individual status for up to ten (10) individuals may be requested via this form.

An Executive Representative of a colocation member must complete this form to request that an individual be granted Authorized Individual status for routine, unescorted access to the colocation facility. The Executive Representative and the individuals named below must review and agree to abide by NYSERNet's Policy Governing Access to the Facility at 32 Avenue of the Americas.

Please print names of individuals requiring routine, unescorted access to the colocation facility at 32 Avenue of the Americas below.

Institution Name:

Please designate a secondary Executive Representative below.

Name:	Email:
Office Phone:	Cell:
